

EDUCATION

KCA University

Nairobi, KE

November 2023

- Bachelor of Science in Applied Computing
- Related Coursework: Artificial Intelligence, Cloud Computing, System Analysis and Design
- Capstone Project – Designed a secure simulated enterprise IT environment with user access control, network segmentation, and backup systems to demonstrate real-world infrastructure and system design principles

CORE SKILLS

CRM & SaaS Platforms

- Zoho Mail / Zoho Workspace (domain setup, email configuration, user onboarding support)
- Salesforce (working knowledge of CRM structure including leads, accounts, cases, workflows, dashboards)
- HubSpot CRM (understanding of pipelines, customer lifecycle management, and CRM workflows)
- Microsoft 365 (Exchange Online, user provisioning, account setup, administration support)

Customer Onboarding & Implementation

- SaaS system setup and configuration for small business environments
- User onboarding, account creation, and access provisioning
- Remote training and guidance on SaaS tools and business workflows
- CRM workflow setup support and system customization assistance

Technical Support & Troubleshooting

- Microsoft 365 and email system troubleshooting
- Windows and Linux system support
- Network and connectivity troubleshooting (DNS, VPN, TCP/IP)
- SaaS application issue resolution and user support

Tools & Platforms

- Zendesk, Jira Service Management, Freshdesk (ticketing systems and workflow handling)
- GitHub (version control awareness and usage)
- PowerShell and Bash scripting (automation and system tasks)
- AI tools (ChatGPT, Copilot) for documentation, troubleshooting, and workflow support

EXPERIENCE

Freelance Experience - CRM and SaaS (Including GCDI)

- Provided remote SaaS support services to small businesses and independent clients, focusing on CRM setup, onboarding, and system configuration
- Assisted clients with Zoho Mail setup including domain configuration, email setup, and user onboarding
- Supported CRM system setup and guidance for clients using Salesforce and HubSpot, including workflow structuring and configuration support
- Delivered remote onboarding sessions for users adopting SaaS tools for communication, sales tracking, and customer management
- Provided troubleshooting support for Microsoft 365 accounts, email access, and SaaS login issues
- Assisted in setting up digital workflows for small teams including customer communication and task tracking systems
- Provided training and support to non-technical users on SaaS platforms and productivity tools

CERTIFICATIONS

- Cisco Certified Network Associate (CCNA)
- Microsoft Azure Fundamentals (AZ-900)
- Google IT Support Professional Certificate
- IBM Technical Support Certificate
- GitHub Professional Certificate
- Microsoft Data Analysis (LinkedIn + Microsoft)
- Cybersecurity Hackathon Certification (CA Kenya)
